

Masters Project Research Question

Name: _____

What is your tentative research question?

Please consider and write responses to the following questions?

1. Does the question have conceptual clarity?

2. Is there an empirical basis for asking this question? (Is there any previous data?)

3. Is the question specific?

4. Are data gathering techniques available to answer this question?

5. Is the question related to theory?

6. Is it feasible to answer this question?

7. Who wants to know the answer to this question?

8. How would the information collected in response to this question be used? What difference would it make if this question were answered?
