Name______________________________________________________

1. Which option for completing your Masters Project requirement have you selected? (please indicate the percentage of assuredness for all three options)

____ Masters Research Project as Capstone project
____ Personal Practice Model as Capstone project
____ Portfolio as Capstone project

2. Please check all of the aspects of the seminar research proposal that you have completed in at least draft form at this time. (please check all that apply)

____ literature review
____ research question(s)
____ research methods
____ draft instruments
____ other considerations (limitations, administration, ethical issues)

3. Do you know the agency (or community) with which you may do your research proposal? (please check one)

____ I have no idea
____ I am leaning toward an agency
____ I have a pretty good idea of the agency
____ I have picked an agency for sure

If you have any idea of the agency, what is it?

4. If you are doing the Masters Research Project as the Capstone project, do you know the Supervisor with whom you may do your Masters project? (please check one)

____ not applicable to me
____ I have no idea
____ I am leaning toward one faculty member as a supervisor
____ I have already confirmed my supervisor

If you have any idea of your supervisor, who is it?

5. If you are doing the Masters Research Project as the Capstone project, do you know the second reader with whom you may do you Masters project? (please check one)

____ not applicable to me
____ I have no idea
____ I am leaning toward one faculty member as a supervisor
____ I have already confirmed my second reader
If you have any idea of your second reader, who is it?

6. If you are experiencing any obstacles to completing your research proposal that Denny or other Social Work faculty could possibly address, please describe them on the reverse side of this sheet and we will try to respond to these obstacles.
