Insurance coverage is effective on the date of receipt at AMA Headquarters of a property completed application and correct dues payment. Membership ends each year on December 31, regardless of the date a membership application is received. Applications received after October 1 will be valid for the remainder of that year and all of the following year. If a magazine is included with the membership, it begins with the first issue available for the year after a correct current application and payment are received; it expires with the issue printed in December (which is dated February of the following year). Membership rates and insurance limits are those in effect at the time of printing. Actual cost of dues and amount of insurance coverage is subject to change. Any such changes will be noted at the time of membership processing so they may be accepted or not.
