EQUIPMENT LIST
B.W.C.A.W Canoe Trips

As the Boy Scouts advise, "Be prepared". The weather may vary from hot and sunny to cold, rainy, and windy. Keep in mind, though, that everything you bring must fit into a Duluth pack and be carried on portages. Bring essential and useful items; leave lawn chairs, pink flamingos, and cosmetics at home.

Plan your clothing items so they can be worn over each other in layers. During the coldest possible weather, you may be wearing nearly all of your layers. Wool is one of the best for: socks, sweater, cap, and even pants. Remember that this is camping; bring durable, not dress clothes.

WE FURNISH:
Canoes
