Call for Proposals to Improve the Campus Climate  
2012-2013

Proposals are being accepted for Campus Climate funding based on creative, high-impact, and sustainable actions that improve the campus climate and can be completed by May 15, 2013. Proposed activities must advance one or more of the action steps of Goal 2 of the UMD Strategic Plan. The highest priority will be given to proposals that engage students in meaningful and long-lasting ways. Projects that involve collaborations are encouraged.

Eligibility: UMD Unit Change Teams

Maximum size of grant: $4,000

Proposal (up to two pages) must describe
  • the component of the campus climate that will be addressed
  • project activities and how they will advance Goal 2
  • project timeline
  • project outcomes and assessment
  • how students will be impacted
  • how the activities will have long-term impact
  • the name(s) of the faculty or staff member(s) with email addresses
  • an itemized budget
  • any funding from other sources

Deadline: October 1, 2012

Your immediate supervisor and unit head (dean, vice chancellor, student group advisor, or chancellor?) must approve your proposal and send an electronic copy to XXXX.
