

2006-08 3M Science & Technology Graduate Fellowship in Chemistry for incoming M.S. students

UMD Department of Chemistry and Biochemistry is pleased to announce a new 3M Graduate Fellowship which will be awarded to an outstanding incoming student in the master's program in Chemistry. The two year award is worth \$24,500 and will be supplemented by additional funds from the department in order to provide the student full-time support, including full academic year tuition and health insurance for 12 months. The Fellow will have an opportunity to interact with 3M scientists.

This fellowship will be offered to a prospective student who has on file a completed Graduate School application form together with payment of the appropriate application fee, all necessary test scores, and a full set of transcripts. The deadline for application is January 25, 2006. For additional information contact with Prof. Viktor V. Zhdankin, Director of Graduate Studies in Chemistry at UMD, e-mail: vzhdanki@d.umn.edu. For information about UMD Graduate Program in Chemistry and for admission requirements see <http://www.d.umn.edu/chem/grad.html>.
