# 1. General Comments for the Week

It's Midterm Week! I hope you got rested up for it over the Fourth of July weekend.

And it's "off-to-Turkey" Week. And In-the-News we'll have Turkey. And you'll get to Take the Turkey Test.

And in our Video Exploration this week Elif, a twelve-year-old Turkish girl—about the same age as Chai Thao that we saw last week—will explain how she is learning the basics of a spiritual path, the Mevlevi Brotherhood. Mevlevi are also known as Whirling Dervishes in the Western world. And they are a part of the Sufi/Mystic traditional Islam.
