Report of Academic Dishonesty

All incidents of academic dishonesty must be reported to the UMD academic integrity officer, according to UMD policy. Faculty members handle incidents themselves but *must submit this form, and copies of the evidence, to the academic integrity officer in 297 DAdB*. Faculty members are not required to notify the department head. Please call 726-8969 if you have questions.

While all incidents of academic dishonesty are reported to the academic integrity officer, the officer will generally impose further sanction(s) for multiple offenses. Multiple offenses may result in suspension or expulsion from the University.

Student Affidavit

Student, please read before signing:

I have read the charges against me and understand them. I am aware this form will be sent to the UMD academic integrity officer, per UMD policy. Multiple offenses may result in suspension or expulsion from the University.

Check below that you either (1) accept the sanction or (2) disagree with the allegations and/or sanction. **If you disagree with the allegations and/or sanction, the academic integrity officer will contact you and provide you with information on UMD's Student Academic Grievance Policy.**

- I accept the sanction as stated above.
- I disagree with the allegations and/or sanction and will appeal this through UMD's Academic Grievance Policy. To begin the appeal process, I understand that I have ten (10) weekdays from the date below to schedule a meeting with the department head. If the faculty member is the department head, I need to schedule the meeting with the assistant/associate dean of the college.

Faculty, please note: If a student disagrees with an allegation or the faculty-member's sanction, students will be notified by the academic integrity officer of UMD's Academic Grievance Policy. The next step in the process is to have the student meet with the department head. If it is still not resolved at this level, the student then meets with the assistant/associate dean of the college.
