## Additional Undergraduate Degree Program Application

### Directions

Use this form if you are a currently enrolled student and you:

- want to apply for admission to an additional undergraduate degree program in another college; and
- wish to be enrolled in both degree programs at the same time.

For example, use this form if you are currently completing a B.A. degree in the College of Liberal Arts, and you want to complete a B.S. degree in the Swenson College of Science and Engineering at the same time. If you are accepted into the additional degree program, you will need to complete all of the requirements for both degrees.

**Do not use this form if:**

- you want to change your major or add a second major in another college; or
- you have completed an undergraduate degree, and you wish to return to complete an additional undergraduate degree.

In these cases, contact your college (or the college you wish to return to) for forms and procedures.

**Fill out this form completely using Adobe Reader software, not a Web browser, to ensure the privacy of your information. Place the cursor in a field and type. Print a copy to add the required signature in blue or black ink.**
