This student section of the UMD Campus Data Book contains 18 tables. The purpose of this section is to provide basic descriptive data about enrolled students for reference as well as planning and management purposes. Historical data is provided where available. Sources are identified.

Table 1 lists all possible majors at UMD and the number of undergraduate students declaring each major during the past five years.

* Fall term enrollments are the standard.

* Majors are listed in units corresponding to the current organizational structure. For example, all Biology majors are listed in CSE whether they are seeking B.A. or B.S. degrees.

* Students with double majors have been counted in each area. That is, totals will not match total undergraduate enrollment figures.

Table 2 lists the minors declared during the past five years.

Tables 3 and 4 list degrees awarded at UMD for the past five years. The degree conferred dates are fiscal year dates, July 1 through June 30. Degrees have been identified by level of degree, granting unit, and gender in Table 3. Table 4 specifies the particular degree and the major area.

Table 5a. And 5b. gives the degrees awarded by ethnic status.

Table 6. describes the unit of enrollment for undergraduate and graduate students at UMD for the past five years.

Tables 7 through 12 describe demographic characteristics for new UMD students for the past five fall terms. There is one table for each collegiate unit. More detailed information can be obtained through the fall student profile publication issued by the Institutional Research Office.

Table 13 shows the graduation and retention rates for FULL-TIME new from high school freshmen. This is
a change from the previous method of reporting rates for ALL NHS students.

Table 14 shows the number of NHS and NAS students by gender who applied, were admitted and enrolled at UMD.

Table 15 and Figure 1 reflect the high school rank of UMD’s NHS students.

Data in Table 16 describe Financial Aid disbursements for the past five years.

Tables 17 and 18 list tuition, fees, and residence hall charges.
