<b>Mission</b>	To provide a healing place within the community for American Indian youth and families to thrive in safety and wholeness.	To strengthen and value the capacity of the American Indian community, its culture and families to raise healthy, nurtured children to achieve their full potential and to be active, contributing members in their community.	To recruit, support, train, and supervise Native American homes for Native American children. AIFACS recognizes our communal responsibility to promote and provide culturally relevant care for Native American children experiencing out of home placement.	It is the mission of the Health and Human Services Department of the Bois Forte Reservation to nurture the growth of clients, colleagues and the community by providing comprehensive quality services in an environment of respect, fairness, and integrity.	To provide quality social service programs that are sensitive and responsive to the cultural values of Indian clients. The services offered will emphasize the promotion of a healthy lifestyle by helping the client search for wellness, through prevention/intervention activities to promote the restoration of family systems.
