at the
University of Minnesota – Twin Cities
Humphrey Institute

Lutheran Campus Ministry had its beginnings on the University of Wisconsin, Madison campus in 1907. 2007 marks the centennial year of Lutheran Campus Ministry and there is going to be a Minnesota Celebration of those 100 years on Saturday, April 14, 2007 at the U of M – Twin Cities Humphrey Institute.

Alumni, friends, current students, staff (past and present) from all the campus ministries in Minnesota will gather for that celebration. The time will begin with registration at 3:30 p.m. Worship will take place at 4:00 p.m. with past National Lutheran Campus Ministry Director, the Rev. Patricia Lull, serving as the preacher. Bread for the Journey will lead the music. At 5:30 p.m. a banquet meal will be enjoyed by all and once our bodies are fed our spirits will be nourished by the wit and humor of writer and storyteller Bill Holm. At 7:30 p.m. we will all enjoy the music of Tim Penny and his band.

Put this date on your calendar, watch for more information and plan to attend.

From the Pastor . . .

One Week in the life of a Lutheran Campus Ministry Student:

The first full week of December Lutheran Campus Ministry at UMD began with a Sunday morning Advent worship service on campus with students leading the music, ushering, reading the lessons, and assisting with communion. A number of students from that worship service continued to bear witness to their faith, deepen faith and live out that faith by attending a book study discussion on the "Ragamuffin Gospel" on Tuesday night; an Advent midweek worship service on Wednesday night; a Student Council meeting and a Grounds 'n' Grace on-campus coffee shop discussion on Thursday night; Christmas Caroling at the Union Gospel Mission and a Christmas Party at the LCM House on Friday night; and Salvation Army Bell-Ringing on Saturday. Not all weeks are that full, but every week LCM does provide opportunities for students to be the church.

There is a quote from the late 13th early 14th century Christian mystic Meister Eckhart where he said, "What good is it that Christ was born 1300 years ago (for us 2,000 years ago) if he is not born now in your heart?" Christmas is the celebration of God becoming incarnate, taking on flesh, living among us. Each and every week of the academic year the incarnate God is still being born in the flesh and blood of the students who I encounter through LCM. Just take a look at the pictures on the inside of this newsletter and you, too, will see Jesus being born in the hearts and the lives of students.

God's richest blessings to you this
Christmas season and in the New Year,

Doug Paulson
