

**UMD Department of Mathematics and Statistics**  
**Undergraduate Scholarship Application Form** (v3.09.09)

Every year the UMD Department of Mathematics and Statistics offers several awards that recognize student scholarship and/or financial need. In addition, the Department regularly allocates student scholarships based on scholarships established through the UMD College of Science and Engineering. While some recipients are based on nominations from departmental faculty members, students can also apply for consideration. In order to apply for any or all of these awards, an interested student should fill out the following application form and turn it in to the Director of Undergraduate Studies, c/o The Department of Mathematics and Statistics, 140 Solon Campus Center. The application form should be accompanied by a recent (unofficial) transcript and copy of your APAS. For full consideration applications should be submitted by the first Monday in April. Awards will be announced toward the end of April.
