Dear _____ (Principal/Teacher):

On April 24, 2008, the University of Minnesota Duluth, and its employees will participate in the annual "Take our Children to Work" Day. This event is nationally sponsored by the Ms. Foundation for Women in New York.

The children will be participating in learning activities, which will lead this New Generation at Work towards a future where they can participate fully in work, family, and community. The theme for this year is Making Choices for a Better World which reflects the options every youth and adult has to make the world a better place on a personal level, in the family, in the community, in the country, and in the whole world through better choices of action. It is the intent that the employees of the University of Minnesota Duluth will serve as role models and will inspire the girls and boys to strive to attain their full potential. Moreover, girls and boys will discover how courses such as science, math, English, and business can better prepare them for a wide variety of jobs and will become aware of the skills needed to be hired in specific professions.

Please grant permission for _____ (name of student),
Grade _____ to attend this event.

Thank you for your support.

If you have any questions, please contact Susana Pelayo-Woodward at 218-726-8444.

Sincerely,
