

UMD BMP 102 – Public Education and Outreach BMP

Title: **Employee Training Program** - Identify Employee Groups Impacted by each BMP

Compile a list of which groups on campus will be affected by each of the BMP's. In some instances, not all members of the specified group will require training. Individuals that require training will be determined at the time of training. Please note that some BMP's do not require any training at all.

BMP-103	<b>Contractor Training</b>	Annual training to be provided	Began 2005
