

CV for Ronald Graber

Ron Graber is the General Manager – Resource Technology for Cliffs Natural Resources Global Exploration Group. Ron has more than 30 years international industry experience in both the mining and petroleum industries. He joined Cliffs in 1982 as a Senior Geologist and has held a variety of management positions in mineral exploration and development, mine operations and minerals research. Ron has corporate oversight responsibility for Cliffs’ mineral resource and reserve disclosures and leads Cliffs’ South American exploration initiatives.

Ron earned a Bachelor of Science degree in geology from Yale University in 1975 and a Master of Science degree in geology from the University of Minnesota in 1978. He is a Fellow of the Society of Economic Geologists, a Registered Member of the Society of Mining Engineers and a Member of the American Institute of Professional Geologists. He is a licensed Professional Geologist in the State of Minnesota.

Ron has published and presented numerous technical papers on mining and geology and was selected as a Henry Krumb Lecturer in 1998 by the Society of Mining Engineers in recognition of his contributions to the advancement of mining technology.
