

The UMD Professional Staff Council Presents: 2009 Fall Forum

On October 29, join us at the entrance to the Library for the Professional Staff Council's Fall Forum Event: a tour of UMD's newest building.

At the Library, grab a cup of hot cider and a cookie for the short walk to the Bagley Nature Area Classroom Pavilion, located near Rock Pond in UMD's beautiful Bagley Nature Area. The event will include a tour of the just-being-completed pavilion, plus a short presentation on this "green" building.

Please RSVP to Jeni Eltink so that we can best plan for the tour and catering. Email jeltink@d.umn.edu

Tour the New Bagley Nature Area Classroom Pavilion!

Thursday, October 29

1:45—2:45 p.m.
