2016 Freshmen Outdoor Trip: Fishing the Boundary Waters Canoe Area Wilderness

The Boundary Waters Canoe Area Wilderness is an extensive area of waterways with campsites and portages that will be the focus of our fishing excursions. We will camp along the shores and try our hand at catching the various fish that can be found in these beautiful lakes.

HERE’S WHAT TO EXPECT:
We will begin our journey by traveling as a group up the Gunflint Trail to our put in near Poplar Lake where we will review basic canoeing skills and load the boats. The group will then get into the wilderness and use the lakes and portage trails to find spots where maybe the walleyes are “stacked up like cordwood”.
