

School Social Work in Singapore & Australia

Course July 12-August 24, 2010 (online)
with travel July 30 to August 14, 2010

The Social Work Department at Minnesota State University, Mankato is pleased to announce a study abroad course specifically targeted to students and practitioners interested in school social work abroad. Hands-on practical experiences will provide in-depth learning experiences for both the student interested in the field and the practitioner interested in exploring different methods of practice. An emphasis will be placed on evidenced-based practice across cultures. This course may be taken for 1-3 undergraduate or graduate credits. Students interested in this study abroad opportunity should email michelle.alvarez@mnsu.edu. Space is limited so a nonrefundable deposit of \$500 will be needed to reserve a spot (\$250 now and \$250 by March 1, 2010).
