13.  
Clarence Hudson White  
(American)  
The Large Hat  
1905  
platinum print, 9 3/4" x 7 5/8"  
Gift of the Estate of Julia Newell Marshall  

This artist took many photographs of different people. In addition to being an artist, he was also a teacher. He taught his students to rise very early in the morning to take pictures that captured the morning light like this one.

What is this woman wearing? What does this tell you about her? ________________

_______________________________________________________________________________

_______________________________________________________________________________

What questions would you ask this woman if you could meet her? ________________

_______________________________________________________________________________

What do you think she is doing or going? ________________

_______________________________________________________________________________

What do you imagine she is thinking about? ________________

_______________________________________________________________________________

Compare and contrast this photo with the Dorthea Lange photography #15. What is the same? ________________

_______________________________________________________________________________

What is different? ________________
