Campus Cash can be used to pay for parking in the pay lot, printing in ITSS labs, accessing chemistry supplies, and paying various career services fees.

You can add value to your Campus Cash account at various ValuePort machines with cash only. There are three convenient ValuePort machine locations: Swenson Science Building, next to room 101, Kirby Student Center (Kirby Welcome Desk), and Library Main Entrance.

Each time you make a Campus Cash card purchase, the reader will display your current Campus Cash balance, subtract the purchase amount, and displays your ending Campus Cash balance.

*Campus Cash should not be confused with the tax-free Dining Dollars program, and cannot currently be used in the Food Court or UMD stores.*
