

**STUDENT INFORMATION RELEASE AUTHORIZATION**

**DIRECTIONS**

In compliance with the Federal Family Education Rights and Privacy Act of 1974 and the Regents' Policy on Access to Student Records (<http://onestop.umn.edu/registrar/Grades/otrp02.html>), the University is prohibited from providing certain information from your student records to a third party, such as information on grades, billing, tuition and fees assessments, financial aid (including scholarships, grants, work-study, or loan amounts) and other student record information. This restriction applies, but is not limited to, your parents, your spouse, or a sponsor.

You may, at your discretion, grant the University permission to release information about your student records to a third party by submitting a completed Student Information Release Authorization form. You must complete a separate form for each third party to whom you grant access to information on your student records. The specified information will be made available only if requested by the authorized third party. The University does not automatically send information to a third party.

Submit your completed form to the One Stop Student Services Center, University of Minnesota, at the address given below for your campus. Please note that your authorization to release information has *no expiration date*; however, you may revoke your authorization at any time by sending a written request to the same address. This form allows third parties to access student record information from any University of Minnesota campus. **Note:** For the third party designee you name on this form, this release overrides all FERPA directory suppression information that you have set up in your student record. However, as a matter of policy, the University does not release certain aspects of student records (e.g., registration, grades, GPA) over the phone or via E-mail.
