FREQUENTLY ASKED QUESTIONS:

WHO IS MEDEX? Since 1977, MEDEX has been assisting travelers worldwide by utilizing highly trained, multilingual coordinators in conjunction with an extensive information and communication system to provide medical and travel-related assistance.

WHEN SHOULD I CONTACT MEDEX? Coordinators are available 24-hours a day, every day of the year. Many times people assume that the services are to be used only in serious cases. Be assured that MEDEX is there to help you with any type of problem regardless of the severity.

WHAT IF LOCAL MEDICAL FACILITIES ARE INADEQUATE? If, through its medical management, MEDEX determines that local medical providers are inappropriate for treatment, MEDEX will arrange for a medically safe evacuation to a facility capable of providing the necessary care.

WHAT HAPPENS IF I AM HOSPITALIZED? It is important to notify MEDEX as soon as possible. MEDEX will immediately contact your treating physician to assess your condition and treatment plans to ensure your safe recovery. MEDEX will then update your family, employer/organization and personal physician as appropriate. MEDEX will assist you until you have returned home or have received final treatment.

Detach and carry with you at all times.
