Who was your pledge father? Dustin Snare
Nickname(s) Squid

SPOTLIGHT ON A BROTHER

SPOTLIGHT ON A BROTHER:

Rick "Pooh" Sorenson, '66

Rick was born and raised in Duluth. He and his brothers, Chuck and Paul, and his much suffering sister Mary grew up in the Lakeside area. The family moved to Rockview Court when Rick was 12. There he spent his junior and senior high years engaging in productive activities with his buddies such as flying his gas-powered model airplane into the side of his house, torching anything and everything, and blowing up that which would not properly burn.

Rick refused to leave Duluth when he graduated from high school, so it was off to UMD for college majoring in pre-dentistry. He pledged Alpha as a freshman. Amazingly enough, his budding GPA did not suffer too badly his first spring as a full fledged Alpha when he found that he could not resist the siren song of China Wall. Pooh's Pledge Father was Bill Baumgarten, and Pooh had the pleasure of in turn being the Pledge Father of Don Streufert and Bill Zelen. While an active in Alpha, Pooh officially was the Historian. He did such a good job at this that he was Treasurer of the Alumni Association "back when they didn't have any money." On a less official note, Pooh worked on a Homecoming float whose success was measured by how wet Les Nelson got every time he fell off the sled into the lake on the float; he was also a part of the design team of the winning chariot in the Homecoming chariot race ("It was just two wheels and a bar pulled by Faulhaber and Tuna."). His real labor of love was the Fitger's mascot keg that promptly got lost in somebody's rec room.

Rick's career as an active Alpha was cut short at three years. After his junior year he transferred to the Dental School at the Main U. This is not to say that he no longer bonded with his brothers, however. Pooh spent four quality years being "Mom" to the likes of Brooks and Tuna Knodt, Soup and Bugs.

Upon graduation from Dental School, Rick hooked up with a dentist who had a practice in North Minneapolis. Rick learned many a valuable lesson at this stage in his life. After 1 1/2 years of that program, Rick teamed up with Rollie Beck and Roger Peterson, and together they founded The Family Dental Clinic in South Minneapolis. Roger, Rick and The Family Dental Clinic are still going strong together. "Painless Pooh" has probably seen dozens of Alpha's and their families over the years.

Rick and his wife Kathie have lived in Stillwater for 23 years. They have two sons: Ryan who is 26, and Kirk who is 23. Kathie is doing yeoman accounting work for a lumber wholesaler in Stillwater. Kirk is currently living in Sanford, Florida, where he is in flight school with hopes of becoming a commercial airline pilot. Ryan is a sound engineer with the Seattle Repertoire Theater. For fun, Rick is currently restoring a 1971 MGB. This started off about eight years ago as a father-son project with Kirk. Kirk has since moved on, but the MGB has not. Like the alarm clock Pooh took apart as a kid, the car is still pretty much in a state of disassembly. Looks like Pooh is a firm believer in not hurrying craftsmanship.

One of the five objectives of Alpha Nu Omega is to "deliver a program of service to our fellow man," and Rick's life is an example how we

can transform this objective from high sounding words into meaningful activity. Rick is active in the First Presbyterian Church in Stillwater where he directs their Alpha Program. Contrary to what the name might imply for us, this Alpha outfit has a slightly more evangelical purpose to its existence.

Rick has also joined a group called the Mission of Mercy which has been providing basic medical and dental care to the Miskito Indians since 1978 in the La Mosquita area of the Honduras. The group con-

sists of doctors, dentists, nurses and "whoever we can recruit", and makes annual trips to the area. Last year was Rick's first year, but, as he puts it, "I left my tools there, so I guess I'll have to go back." All in all, Rick has found this to be a "life-changing experience".

Nothing else can be said, except "Attaboy, Pooh, keep it up!"

If you'd like to nominate a Brother for next issues Spotlight segment, please do so on the Dues/Information sheet. If your nominee is chosen, we will contact you for input toward his bio.

TIME WITH TOM...

TIME WITH TOM As I begin my term as your leader, I am encouraged by the number of alumni who have indicated an interest to help. I thank the new board members for wanting to get involved.

This newsletter is an example. Many new features are included. Please take time to read it and find out what different Alumni are doing. Look for changes in addresses. Most **IMPORTANT** - we cannot keep funding our scholarship programs without your help. Complete the insert and mail your check back. We are paying postage. If you have ideas and suggestions to make the Alumni Association better or more responsive, **PLEASE** let me know. Thanks to all who helped put this newsletter together. See you at the golf outing.!

Nick Schmidt, Active Chapter President Active Chapter Report, 2001-2002

Greetings brothers, both Alumni and Active. First and foremost, many thanks to the Alumni Association, particularly Doug Johnson, Jason Golde, Chad Roberts and Jon Van't Hull as well as the rest of the "Dirty Dozen" that made our Alpha Gear possible. We've had a lot of compliments on our new clothes and they are helping us to create a stronger presence on campus.

For those of you that made it to the Bond Book ceremony last week thank you for coming. I can't thank the alumni enough for their help this year. Your presence adds a dimension to the idea of brotherhood that the Active Chapter can't show. Many of you continue to be involved in our activities and for us older actives it is always a blast to have you guys show up, and for the new actives it is remarkable that you guys still care enough to show up. A year ago, Chris Koncar was sitting here asking for your help, and you delivered. I hope that this will continue.

This year has been a challenging year. As I am sure many of you know, last spring a student died from UMD after a party, undoubtedly alcohol played a role in his death. He was a rugby player and was being "initiated" the night he died. The University adopted a one of the strictest alcohol policies in the country. They also began targeting organizations they deemed as "problem organizations," namely Greeks and sports teams, in addition to cracking down on alcohol.

On that note, we took a hard look at H&H and have been trying to assess the purpose of some of the activities and figure out ways to achieve the same results and stay within the University's policies. We brought this up at the fall meeting and you gave us some good suggestions, today I hope we can use you again for some suggestions again on this as it is such an important aspect of pledging.

Rush & Pledging: We currently have two pledges. Last spring we initiated two new members. Mike May and Dominic Richetta. This fall we initiated four new members; Nick Jaeb, Adam Nouwen, Noah Rezac and Kevin Dahl.

Marketing Plan: The marketing plan has taught us a lot this year. The new guys are a product of that and we hope that they can carry it with them and improve on it from one year to the next. This plan has given us the tools to promote the message we were already saying and allowed us to really pitch all aspects and benefits to potential members.

Social: Last fall, for a weekend of mixers we rented a cabin outside of town. For parties, we've been telling guys to BYOB. We've been resorting to old habits (i.e. kegs) lately but not the extent as in past. For two of the fall mixers we rented a cabin outside of town and held the parties there. In December we had Snowbunny again and it was a blast. Greek Week this

2002 BOARD OF DIRECTORS

TOM KRAUS	04 President
DOUGLAS JOHNSON	03 V.P.
RUBEN VAZQUEZ	04 Secretary
JASON GOLDE	03 Liaison
CHAD ROBERTS	03 Scholarship
JON VAN'T HULL	02 Communications
TOM GOODNATURE	04 Communications
GARY BROBERG	04 Historian
RON NELSON	03
MICHAEL STOOR	02
SCOTT PIETRS	02
BRIAN KIRKES	02

year had a few changes. Teams were combined for Keg-a-thon and all events were held on campus. We tried to use this week as a marketing tool this year.

Service: This has been a big service year. The usual projects apply, such as freshman move in, adopt-a-highway, and valet parking. We have increased our involvement with Bulldog Bash labor day weekend and we were also highly active in the Homecoming festivities. We have also helped out with a couple Rec-sports events as well. We have been working to sponsor an athletic event such as a broomball or floor hockey tournament; we continue to pursue these projects. All in all we will probably do more than 10 projects this year.

Fundraising: This year we've tried a new fundraiser by hosting a pub crawl. They have been more or less a service project so far instead of fundraising, but we hope the word will spread and it will become a regular event. This involves us sponsoring a bus and taking students around town that are legal drinking age for a night on the town. The Chancellor has actually given us the OK and are behind the event.

Academic: There were four scholarships given out this year; three were Daryl B. Knodt Assistantships — Matt Coey, Dustin Privette, and Nick Schmidt; and one John L Banks Scholarship — Peter Gerdes. Our fraternity GPA is 2.7.

Athletic: We beat the Phis in Alpha Bowl 49 to 7. We made it to playoffs in Intramural Broomball. We also had a team last fall for flag football. This spring we plan to have a floor hockey team, just as we have in years in the past. We also plan to have a co-rec intramural inner tube water polo team.

Cooperation: Two new Greek organizations have made their home at UMD. These organizations have become a part of a growing Greek Population at UMD. We have worked with these organizations as well as the Greek Council. More Greek organizations mean more student involvement and growth. Still, the number of students involved in Greek organizations versus the student body is just a small fraction. We have also become a part of UMD's presidents council and Chirs Koncar and I have had lunch with the chancellor personally through this program. We continue to

Brotherhood: The brotherhood of the fraternity continues to be the strongest part and is as always the main interaction between brothers. We continue to help each other out, work together and make lasting friendships.

Graduating this year is Matt Coey, Chris Koncar, Tyson Quade and myself. It has been an honor to be a member of this organization while at UMD and I look forward to entering a new role as an alumni.

In attendance: Jon Van't Hull, Mike Noto, Gary Broberg, Keith B. Cook, Gerald Nelson, Dale Jensen, Tom Kraus, Greg Hinds, Tom Goodnature, John Erickson, Mike Dean, Jason Golde, Matt Coey, Tony Boldon, Tim Cline, Nick Schmidt, Chad Roberts, Andrew Craddock, Doug Johnson, David McMillian, Ruben Vázquez, Noah and Adam (last name illegible).

Meeting call to order by Jon Van't Hull at 9:40 a.m.

Fall Meeting Minutes motioned to be approved as read. Motion was second and passes.

I. TREASURY REPORT – Mike Noto

A report will not be submitted since Mike has misplaced the disk as well as the back up. He will submit the report at the next Board meeting.

Merrill Lynch accounts have been close and transferred to other funds.

Investments were down during 2001.

Bottom line... WE NEED MONEY!

Motion to accept Treasurer's Report by Tom Kraus, motion second by Mike Dean. Motion accepted.

II. ACTIVE CHAPTER REPORT – Nick Schmidt, Active Chapter President

There are 8 members of the Active Chapter that were able to make the trip to Minneapolis despite the weather.

There are 2 new actives, Noah and Adam with a total of 6 new members.

There are currently 2 new pledges.

The Active Chapter has a goal of recruiting 10 new members by Fall 2002.

Due to the unfortunate death of a rugby player last year, there has been much notice paid to ALL organizations on campus.

There is an over all feeling within the organizations that UMD is looking to pick out one organization, specially an Athletic or Greek to make an example of.

Current policy at UMD regarding parties hosted by organizations is that if more than ½ of the membership of that particular organization is present at a party, the organization as a whole is subject to "suspension."

ANO is currently working on the following Service projects;

With the approval of the University, the ANO sponsors bus ride for students who are of legal drinking age after the bars close to avoid having them drive after drinking.

Continued involvement with the Freshmen Move In Day.

5k run.

Valet parking at various University functions.

Adopt a Highway

Overall GPA for Fraternity is 2.7.

There are two new Greek organizations on campus; 1 new fraternity and 1 new sorority.

There is a higher interest from ANO to become more involved within the Greek Council.

The Active Chapter has been discussing with the Chancellor the possibility to allow Greek housing on campus. She has not made a decision but is open to continued discussions.

The Active Chapter is currently composed of 15 members, 10 of which are very involved in the organization.

III. SCHOLARSHIPS – Chad Roberts

There were three recipients for scholarships/assistantships last year. The D. Brooks Knodt Memorial Assistantship was awarded to Dustin Privette (\$750), Nick Schmidt (\$750) and Matt Coey (\$750).

There have been proposed changes to the scholarship by-laws. These will reflect the changes from quarters to semesters at UMD. The proposed changes have been sent out to the voting members for approval. Only those who respond by March 9, 2002 will be considered.

Discussion as to when the money from scholarships should be awarded. Some options are at the Bond Book signing with presentation of the plaques at the Active Chapter Annual Dinner.

Also, the Fraternity should look into doing a Press Release at the UMD and Duluth local newspapers regarding scholarship recipients to show the community that the Fraternity is more than just a party organization.

IV. SOCIAL – Doug Johnson

Events will be posted on the Website as they come up. These events will be posted around the time they are to take place in order to keep it fresh on everyone's minds.

The Alumni Association has handed out the following pieces of clothing to the Active Chapter; T-Shirts, Polo Shirts, Denim Long Sleeve Shirts and Car Coats.

All of these items will be available for sale at the Alpha Shoppe through the Web Site.

Additional suggestions for items were; Caps, Photo CD, Sweatshirts, Jerseys and the once traditional ANO Pin.

All items will be able to be ordered 3 weeks prior to any social event to be delivered on the day of the event. If people want items at other times, they will be responsible for their own shipping and handling charges.

The Annual Les McKeen Golf Tournament will be held on the first Sunday of June (2nd).

The Fall Boat Ride still being sponsor by John Van't Hull and Doug Johnson. The boat ride is currently scheduled for the 2nd Saturday of September.

The cost is \$25 per person with a cash bar.

Proceeds from both the golf tournament and the boat ride will be used to purchase all of the clothing for the Active members.

The proposed marketing program is expected to be a joint effort between the Active Chapter and the Alumni Association.

CONTINUED ON PAGE 8

Alpha Nu's Les McLeen Golf Outing June 2, 2002

This Year the Les McLeen is a New Event Shotgun Start at 8:30am, \$55 per Alumni, \$42 per Active or Guest

First: Cost is been raised due to the increase in green fees a Grand National. But with the increase the course is providing us additional gaming incentives. With the \$55 entrance fee, of which \$13 goes to the Marketing Plan and \$42 goes to green fees and cart for 18 holes, the Grand Casino is providing each golfer with a certificate worth \$10 of quarters for slots and a certificate worth \$10 for Blackjack. So that is \$20 rebate toward gambling at the Casino.

Second: One of the complaints that has been voiced in the past is that there is two much time spent waiting for foursomes to finish and that the opportunity to socializes with our brothers is lost due to how the tournament is set up. So to create a more favorable event the golf course has agreed to a modified shotgun start. This means everyone will start and finish about the same time. In order to accommodate our need to start and finish together and keep the cost resonable we have to tee off at 8:30 am. With this earlier start would mean that he tourney would be over around 1:00pm and we all could have lunch at the clubhouse and socialize. Those brothers that would like to get in another 18 holes, the golf course has provide us a reduced charge of \$30 for green fees and a cart.

Therefore:

Cost: \$55 per Alumni, which includes a \$13 donation to the Alumni Association's Marketing Plan, \$42 per Active or Guest.

Format: Four man Scramble with a Shotgun Start at 8:30am at Grand National Golf Course in Hinckley, MN on June 2, 2002. Prizes will be awarded for the first place team and selected achievement holes

Confirm: We are aiming for 36 or more golfers. Direct all confirmations to play to either Jon Vant Hull, phone: 952-472-9948, e-mail: jvanthull@yahoo.com
Or Doug Johnson, phone: 952-474-0677, e-mail: djohnon@pharmacyaide.com

Len Stone Passes On

In Memoriam...

"... and the light of Brotherhood shall burn throughout Eternity."

Len Stone died on October 24, 2001 of ALS. (Lou Gehrig's disease) Len very much enjoyed the reunion with his brothers in 1999. He talked about it afterwards often. Three months after the reunion Len was diagnosed with Parkinson's disease. In June of 2000 the Doctor's determined it was ALS. He continued to work until November of 2000.

ALS ravaged his nervous system. Len lost the use of most of his muscles and his voice but remained alert, positive and his faith in God remained constant. On October 24, 2001, he died very peacefully. His memorial service was held in the Stone's home church, Irving First Methodist, Irving Texas on October 27.

Len is survived by his wife Cynthia, son Russell, daughter Martha Michalewicz and two grandchildren Kristin and Davis. Memorials can be sent to:

ALS Association
2100 HWY 360, #1900
Grand Prairie, TX 75050
(972) 641-6200

Len was a member of our first pledge class pledging in the winter of 1960. (Bond Book Number 004). Len received a BA degree in Geology and subsequently a Masters degree from St. Louis University.

He most recently was a network Engineer and analyst with Wang International at INS in Dallas. Len was substantially involved with the Network Professional Association, Novell CNE .

We all enjoyed his company at the reunion and will miss him very much

KEEP IT COM-

2002 DUES COLLECTED BY PRINT OF THIS NEWSLETTER...

27 ALUMNI HAVE RETURNED THEIR DUES FOR 2002. TOTAL DUES AND DONATIONS ARE BROKEN DOWN AS FOLLOWS:

2002 DUES TO GENERAL FUND	\$ 750.00
SCHOLARSHIP DONATIONS	\$ 705.00
TECHNICAL FUND DONATIONS	\$ 415.00
TOTAL	\$1,870.00

YELLOW PAGES TO LAUNCH IN JULY

Our web page, www.d.umn.edu/~alphanu, invites Alumni to communicate in many ways. Both the career network section and classified ads section offer free opportunities that could assist you in many ways, including obtaining business. The yellow pages have been specifically designed to allow simple ads to be placed that suit your business purposes while at the same time giving our Alumni Association an alternative opportunity to obtain revenues to assist it with its operating expenses. Simple ads such as business cards, word processing, and Microsoft Publisher files, including simple graphics or JPEG photo, will be processed at the following rates:

One year (July 1 to July 1)	\$ 75.00
Renewals	\$ 50.00
Three year subscription	\$150.00

In circumstances in which the Web Master indicates more than usual set-up requirements, an additional charge will be negotiated. Minor changes during the period of subscription will be included; substantial changes will be negotiated. Hyperlink capability to your web site or e-mail address will be included for no extra charge.

Take advantage of this yearly opportunity to market yourself with your Brothers and to assist your Brothers by supporting your Alumni Association. The deadline for submittal of this year's classified by posting the ad yourself and sending a check to the Treasurer for a fee of \$25 per year. The ads will be removed each July 1 unless a renewal is sent to the Treasurer.ads by Monday, June 24, 2002. Send your ad to jvanthull@yahoo.com. Send your checks to Mike Noto, Treasurer, 13995 Jessica Drive, Rogers, MN 55374.

E-MAIL YELLOW PAGES

The yellow pages also contain a facility for posting an e-mail with your e-mail address and a message and comment by clicking the "post your ad here" button. These simple ads may be placed year round

V. LAISON – Jason Golde

Spring Banquet is currently set for April 6 in Brainerd, MN.

Bond Book singing went smoothly. Alpha clothing was distributed to new Actives.

Over all, things are moving pretty good. All Alumni are encouraged to attend a weekly Wednesday meeting. They are very interesting and it would be good for the Active so see some of Alumni.

VI. COMMUNICATION - Jon Van't Hull

Mike Dean has been working on the web site. He will continue to work on it and keep it up to date.

The newsletter has been posted on the website. Looking for any positive comments or suggestions for improvement.

It has been suggested that the newsletter be sent via email only to save the cost of postage. After some discussion by the present members, it was decided that although the organization would save money, it was still very important for the organization to keep in touch with its members via email and mail.

How often should the newsletter be sent out? It was suggested that sending the newsletter twice a year would be enough. During special events through out the year, a post card should be sent out as a reminder.

Tom Kraus suggested that in would be a good idea to begin posting on the website a profile of the new pledges, and the recently graduated as well as the minutes of each meeting.

VII. TECHNOLOGY – Mike Dean

The average budget to keep the website running for last year was at \$500.

It is estimated that this amount will increase for 2002 to approximately \$850.

There needs to be more information flowing from the Communications committee so it may be place on the website.

Currently, the strongest link in the website is the Career Network, while the weakest one is the Bulletin Board. We need to encourage as many people as possible to use the website as much as possible.

Will work with Doug Johnson to get the Alpha Shoppe on line.

The Active Chapter has been talking about getting their own website running. It was suggested to them that they use the server under the Alumni Organization in order to avoid the fees.

VIII. HISTORICAL – Greg Hinds

After 4 ½ years (300 to 500 hours) the Photo CD project is finally done.

The CD currently holds approximately 3100 photos with room for many more to be added. The net cost to the fraternity was at \$3.50 per CD.

Presented a demonstration of the CD and will distribute the CD to people that are present at the meeting and whom bought a book at the reunion.

Goal for the 45th year Reunion is to have 5000 photos on the CD.

The CD is available to those interested in buying a copy for \$10.

IX. OLD BUSINESS

Marketing program needs to focus more on freshmen. Anyone freshmen who shows interest in Alpha Nu Omega should automatically be assigned an Active. This active will be responsible for keeping in contact with prospective pledge and be available for any questions from him. Although the primary recruit will be freshmen, we should not limit ourselves. We should also try to talk to others that may be interested in ANO. Instead of having only a few members of the fraternity focus on rushing, ALL active members should be train on how to rush. This should be a whole group effort. This training could also be helpful for the Alumnus.

X. NEW BUSINESS

It was suggested for funds to be set aside in order to fund committee events. In order for a committee to be able to ask the Organization for these funds, the Chair of the committee must need to present to the Board a written proposal stating as to the need for these funds. There was a motion by Tom Kraus to form a new committee that would concentrate on the Charter and Bi-Laws of the Organization. This motion was second by Doug Johnson. Motion passes. Members of this new committee are; Tom Kraus, Hans Tronnes, Mike Noto, Mike Dean, and Doug Johnson.

Please contact Chad Roberts if anyone is interested in participating in the Scholarship Committee.

John Van't Hull transfers the Presidency over to Tom Kraus.

Tom Kraus expresses his gratitude towards John Van't Hull for all of his hard work and commitment in the last year as president of the organization. Tom's goals for this coming year are to increase the communication between members, especially when it comes to upcoming events. UMD's Homecoming is set for September 28, 2002. Although the fall meeting is usually scheduled around this event at UMD, there is a possibility that the fall meeting date might change. Will keep you posted. There is a Board meeting tentatively scheduled for the first week in May. Tom announces two new Board members; Ruben Vázquez as Secretary and Jon Van't Hull as Social Chair.

Motion to adjourn by Jon Van't Hull, motion is second by Doug Johnson. Motion passes. Meeting adjourned at 12:07 PM.
SNAPS....

Respectfully submitted

Ruben A. Vázquez Ruiz, Secretary

The New Alpha Nu's

40th Reunion CD Photo History of Alpha Nu Omega

The Alpha Nu Omega 40th reunion photo history CD has been completed and has been distributed to those who purchased it at the reunion. It now includes over 3,100 photos and a searchable database to help you find memorable photos from your era. 83 copies have been sold thus far and I have only 17 left. Don't miss this opportunity to purchase your Alpha Nu Omega Photo History CD - a steal at just \$10 (profits go to scholarships).

E-mail me (greg.hinds@du.edu) to place your order.

Also, please e-mail me to let me know if you have any photos that I can collect and scan for the 45th reunion - all photos will be returned. Several people have already come forward with photos to be included in volume 2 (goal is 5,000 photos for the 45th!).

Finally, I have created an application to help collect information about the photos but here is where I need your help. Send me an e-mail to let me know if you can help review photos and type in info (*i.e.*, names, event, date, etc.). I already have people volunteering but I need more help! This is an exciting effort - you've got to see this!

Greg Hinds

ALUMNI ASSOCIATION DUES & DONATIONS REQUEST

Name _____

Annual Dues:.....(\$25.00-for General Fund Administration) \$ _____

Scholarship Donation: (Directly for scholarship payouts) \$ _____

Technology Fund Donation: (Directly for technology project development) \$ _____

Total Enclosed \$ _____

Please be sure to enclose your check with your dues and generous donations.

FYI: We are trying to fund all aspects of the Marketing plan with the social events as fund raisers. And as we progress on the Web Site, it becomes more costly to maintain. If you donate additional moneys to scholarships, they go directly into the permanent fund and we can't use them for our everyday operation expenses. If you can't participate in the social events, PLEASE be generous now so we can continue to develop in the directions we are going to benefit the Active Chapter of Alpha Nu Omega.

DON'T WASTE THE STAMP...EVEN IF YOU'VE PAID YOUR DUES...FILL OUT THE PERSONAL BIO AND THE CAREER NETWORK FORM ON THE BACK AND MAIL IT TO US WITH THE STAMPED ENVELOP WE'VE ENCLOSED!!!

Congratulations to new Alpha Initiates

Welcome to new Alpha Alumni

Thanks to Jon Van't Hull for the newsletter

Good Luck to Tom Kraus and the new Board in their exciting and challenging terms of office

Thanks to all who have paid dues ++ and the rest who will shortly

Happiness and Financial Success to scholarship winners - good work!

Special Thanks to Doug Johnson who is currently doing just about everything to help the Actives succeed and the Alumni to have about as much fun as they can handle.

Kudos to Mike Dean for all he has done and continues to do.

Special thanks to Ken Moran and about half of the Founders who dug deep into their resources and sent us some \$\$, even when they have free memberships in the AA forever.
