

Holds within the College of Liberal Arts

If you have a hold on your record, you may not register or, in many cases, obtain transcripts until that hold is cleared with the office that placed the hold. A hold may be imposed for financial indebtedness to the University, e.g., for unpaid tuition or library fines, or for disciplinary or scholastic reasons. A hold is also one means the university has to enforce certain critical processes, such as academic advisement.

When you complete the steps required by your hold, CLA will electronically remove or temporarily release the hold from your record. **When a hold is released it will still appear on your record but will have a future “effective date.”**

View your holds online PRIOR to your registration time: <http://www.d.umn.edu/Register/> → Check for Holds

When viewing your holds online, check the hold "effective date." If the effective date is in the future it will NOT impact your ability to register.

Holds on Your Record
