

Calculate your grade point average without and with a course repeat

Course	Credits	Grade & Point Value	Grade Points (credits x grade point value)	Semester GPA (total grade points ÷ total credits)	Cumulative GPA
Fall Semester					
Semester credits:		Semester grade pts:			
Spring Semester <u>without</u> course repeat					
					(sum of fall & spring grade points ÷ sum of fall & spring credits)
Semester credits:		Semester grade pts:			
Spring Semester <u>with</u> course repeat					
					(sum of fall & spring grade points ÷ sum of fall & spring credits less repeats)
Semester credits:		Semester grade pts:
