College of Liberal Arts Midterm Progress Report Form

Students on academic warning or probation have a **hold** on their record and are not able to register for next term without completing this form. The intent of this form is for probation students to discuss their academic performance with their faculty advisor or a CLA Advising & Academic Services advisor.

**Once the form is submitted, the active date of the probation hold will be changed to a future date.** The hold will become active on the future date. The date change allows registration for the next semester. A student on academic probation who does not achieve good academic standing once FINAL grades are posted, may be subject to academic dismissal, even if they are registered for next term.
