

2017 MMMM Combinatorics Graduate Students Workshop

April 28–30, 2017
University of Minnesota Duluth

http://www.d.umn.edu/~dfroncek/MMMM_2017/MMMM_2017.pdf

The 3rd annual "Mostly Manitoba, Michigan, and Minnesota Combinatorics Graduate Student Workshop" will be held at University of Minnesota Duluth on April 29 and 30, 2017. This is a two-day workshop with many talks by graduate students and selected talks by invited experts. Topics include graph theory, finite geometries, designs, and other areas of combinatorics.

Invited speakers:

David Gunderson, University of Manitoba

Karen Gunderson, University of Manitoba

Bernard Lidicky, Iowa State University

Registration and support for students

Participants must apply to attend. Those submitting talks or applying for support must do so by April 10, 2017. There is no registration fee. Register by sending an email to dalibor@d.umn.edu providing your name, affiliation, and title of your talk if you want to present one. Talks will be 20 minutes, followed by a 5 minute question period.

Some funds may be available in support of accommodation costs for graduate students. Preference for support will be given to those students giving a talk. No support is available for travel costs. Students should indicate if they wish to apply for support in their registration.

Accommodation

[Voyageur Lakewalk Inn](#) in downtown Duluth.

Schedule

Participants arrive on Friday, April 28; talks are all day Saturday, Sunday is open for collaboration.

Location

All talks will be held in EduE 36 (Education – Endazhi-gikinoo'amaading Building) on UMD campus.

Organizing Committee:

Bethany Kubik (University of Minnesota Duluth, Chair)

Dalibor Froncek (University of Minnesota Duluth)

David Gunderson (University of Manitoba)

Karen Gunderson (University of Manitoba)

Donald Kreher (Michigan Technological University)
