HARVEY MUSIC EDITIONS

Based on the poem by William James Linton (1812-1898)

As the rain-drops on the sand,
As the snow-flakes on the sea,
Is my love, with lavish hand
Shower'd in vain on thee:
To be lost
Like the frost
Of yet green mornings smiled on sunnily.
As the the rain-drops on the sand,
As the snow-flakes on the sea,
Is my love: thy empty hand
Wastes it, spurning me.
Love's cold ghost,
Like the frost
Of wintry mornings, lingereth sullenly.
