

# Just4U – Food That Fits Your Life

With Just4U for Vending, ARAMARK is delivering what customers want by providing healthy options and nutritional information in a way that's convenient for customers

# Point-of-Sale

With nutritional guidance now available at the vending machine, customers can see they can make healthy choices in what they eat and drink, even if they're pressed for time.

 5g of fat and less than 30% of calories from fat per serving

 100 or fewer calories per serving

 15 carbs or less per serving

 100% juice

# ADA Relationship

Just4U for Vending has been favorably reviewed by the American Dietetic Association. ARAMARK is also partnering with the American Dietetic Association to create a nutritional guide that will help educate customers about the snacking choices available to them
