INTERNSHIP EXPLORATION INTERVIEW QUESTIONS

1. How many interns have you had?
2. What type of person do you look for in an intern?
3. What is your past experience with interns in Criminology majors who have Sociology minors?
4. What sorts of things have previous interns done?
5. Will these be similar to those that I will be doing if I become an intern with you?
6. What is your internship program like?
7. What are your expectations for an intern?
8. How is supervision of interns handled?
9. How is the scheduling handled?
10. Are there certain training or educational prerequisites that a potential intern should have completed before beginning the internship?
11. Is there a possibility for a paid internship with your organization?
12. Is there a possibility for future employment with your organization after completion of the internship?
13. Are there any materials an intern must become acquainted with prior to beginning the internship?
14. After all my questions, is there anything else you feel I should know or understand?
