EXAMPLE OF CORRECTIONS OBJECTIVES (2)

I am currently dealing with adult and juvenile offenders on house arrest and alcohol monitoring at **RS Eden: Watchguard**. The following is an overview of skills, knowledge and self-awareness issues that I wish to acquire and develop.

**SKILLS:**

- Effective communication /relationships with offenders and agents.
- Report writing
- Monitor/confirm compliance with probation/parole
- Participate in meetings
- Proficient in K2 computer monitoring system equipment

**KNOWLEDGE:**

- Better understanding of probation/parole system
- How certain probation/parole conditions exist and operate
- Department of Corrections continuum of an offender
- Sex offender conditions
- Understand violation/restructure process of DOC clients
- Understand bond/bail court process better
- The importance of strict policy and procedures mandated by the state and counties

**SELF-AWARENESS:**

- To maintain a positive attitude regardless of possible stress and negative factors of corrections related positions.
- To be able to receive positive and negative comments appropriately and professionally deal with an issue.
- Understand emotional disconnection from the cases you are dealing with and knowing that I can not solve every problem.
