Where Error Leads: Chaos or Meaning?  
Categorization of Disciplines  
PoMoSexuals  
Pressure Is Love

## [Headers / Formats]

All have the latest GCS; however, when the GCS changes, only change it in those files that are opened for some substantive change.]

Here are the names I use for the various divisions of the work. Naturally, I don't have to go all the way down to sub-sub-sections, but I do always use paragraphs.

Book

 Essay  
 Section (§)  
 Subsection  
 Sub-subsection  
 Sub-sub-subsection  
 Paragraph

The Table of Contents for the Book:

- xx

The Format of the Tables of Contents Pages for the Chapters:

- Level 1

The Format of the Essays, including the header and GCS:

- Level 2 title

The Format of the Sections:

- From end of previous section: [HRt], [HRt], title, [HRt]
- Text at beginning of section has no indentation
- Level 3 title format:
  - I font size = 12
  - II hanging indent
  - III bold
  - IV underlined
  - V title in the following format: [index # (capitalized Roman numeral)], tab, Title in “initial caps”, no period or other punctuation after the title

The Format of the Subsections:

- From end of previous subsection: [HRt], [HRt], indent, title, [HRt]
- Text at beginning of subsection has no indentation
- Level 4 title format
  - I font size = 12

- II hanging indent
- III bold
- IV title in the following format: [index # (capitalized letter)], period, space, space,  
title in lower-case except for the first letter, no subsequent punctuation

The Format of the Sub-subsections:

- From end of previous sub-subsection: [HRt], [HRt], indent, indent, title, [HRt]
- Text at beginning of sub-subsection has no indentation
- Level 5 title format:
  - I font size = 12
  - II hanging indent
  - III italics
  - IV title in the following format: [index # (Arabic numeral)], colon, space, title in  
lower-case except for the first letter, no subsequent punctuation

The Format of the Sub-sub-subsections:

- From end of previous sub-sub-subsection: [HRt], indent, indent, indent, title
- Text at beginning of sub-sub-subsection follows immediately after the title (i.e., continuing  
the same line)
- Level 6 title format:
  - I font size = 12
  - II title in the following format: title in lower-case except for the first letter, period,  
space, space

The Format of the Paragraphs:

- From previous paragraph: [HRt], then tab

The Format for the “Part xx” page(s):

The Format for the
