Water Gardens: Savor the Beauty, Avoid the Pitfalls

Wednesday, May 20, 7 p.m.

Hartley Nature Center
3001 Woodland Avenue, Duluth

Daniel Dix owns WoodSpirit Gardens, a landscape design and installation company in Backus, MN. He emphasizes working with nature in all his projects and has a unique perspective on land use and environmental issues. He has installed many water gardens and understands the latest technology of building and maintaining water gardens.

Dan's slide presentation will explain the dos, don'ts, and safety issues of water gardens and will help you decide where to place a water feature in your yard to make it a beautiful and intrinsic part of the landscape and a haven for humans and wildlife.
