[Endmatter]

**Bibliography**

[URL: Bibliography]

---

1Works are dated with the year(s) of their original publication first and of their translation (or the work I used) second. Thus *The New Conservatism* (Habermas 1985,1987/1989) was originally published in German as two separate works, one in 1985 and one in 1987, which were published together in English translation in 1989.

---

2 http://www.d.umn.edu/~schilton/Articles/TMDEworkshop.html

3 This was the original URL of the article. However, this web site and, as far as I can tell, the entire journal have vanished. There went my 15 minutes of fame.

Cuzzo, Maria Wyant (1995). xx dissertation

Ferguson, Kennan (19xx). xx conference paper on same-sex marriage
