Mission

To provide students the opportunity to develop healthy personal lifestyles, help insure their retention at UMD, and contribute to the overall excellence of their total educational experience. We will accomplish this mission by providing quality health care, counseling, and education that focuses on their physical, emotional, social, and intellectual well being, and by being actively involved with all health issues that affect the University and community.

Facts

• Accredited by the Accreditation Association for Ambulatory Health Care, Inc. (AAAHC)
• Individual medical visits: 10,639
• Nurse triage student contacts: 3,302
