Documentation of Knowledge of Historical Eras

Student Name ________________________ Historical Era ____________________

1. What were some of the key events that occurred during this historical era? (Please identify event and date and explain briefly why it was important.)

2. What were some of the key dynamics (issues being addressed) in British society during this era?

3. How was Britain different at the end of this era than it was at the beginning?

4. How did this era affect later eras of British society?

5. Describe Britain's relationship to other countries/regions during this era.

6. Please share any other reflections you may have about what made this era distinct from other eras on the other side of this sheet.
