Reflection Form: Visit to a Museum

Student Name ____________________  Historical Era ____________________

Museum ____________________  Date of Visit ____________________

Exhibit Visited ____________________  Time Spent at Actual Exhibit: ___ hours

1. What did you actually see in this exhibit that reflected life in this era?

2. What was the nature of important institutions (parts of society) based on what you saw?

3. What did you learn about the nature of society during this era in visiting this exhibit?

4. What did you learn about the lives of individuals during this era in visiting this exhibit?

5. How were specific groups of people affected differently and/or unequally in this institution or society? (e.g., were males and females treated differently? were class differences evident?)

6. Share any other reflections you may have based on visiting this exhibit (use the back of this sheet if necessary).
