Canvas “Modules” vs. “Sunday Memos”

Questions / Comments

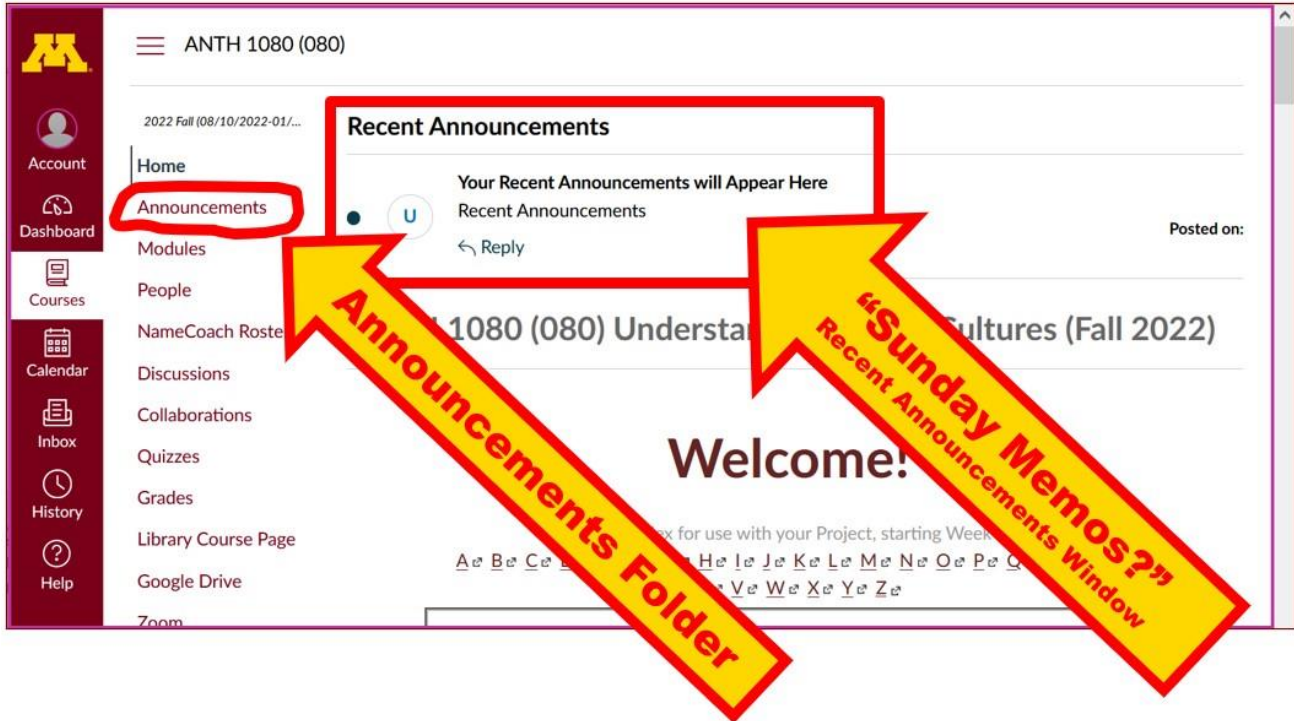

“Sunday Memos”

The “**Sunday Memos**” are .pdf memos, like this one, that arrive by e-mail (usually, as you might expect, on Sunday).

And they are also featured each week in the “Recent Announcements” section at the top of your Canvas “Home Page” and in your “Announcements” folder (where Canvas keeps all of the past Announcements).

REM: Links on screenshots are not “hot” (active)

When the semester starts the links on the memos will be “hot” (active) and they will take you to more detailed information.

It’s fine for you to select the items that interest you most from each of the “Sunday Memos” (including this one).

You do not have to read them from beginning to end.

They start with links that take you directly to the part(s) that you might be interested in.

Your “Sunday Memos” look like this . . .

What's Happening Week 1? Getting Started

This week we're off to see the world, in "... *Many Ways*". And we take a few minutes to get to know one another, and our selves, and get to know how the course is set up and operates. And we'll take two very short, but interesting, "Selective Attention" tests to sharpen our eyes for the videos and presentations that follow in the rest of the semester.

GENERAL COMMENTS FOR THE WEEK

This week we're off to see the world, in “. . . *Many Ways*”. And we take a few minutes to get to know one another, and our selves, and get to know how the course is set up and operates. And we'll take two very short, but interesting, “Selective Attention” tests to sharpen our eyes for the videos and presentations that follow in the rest of the semester.

Getting Started . . .

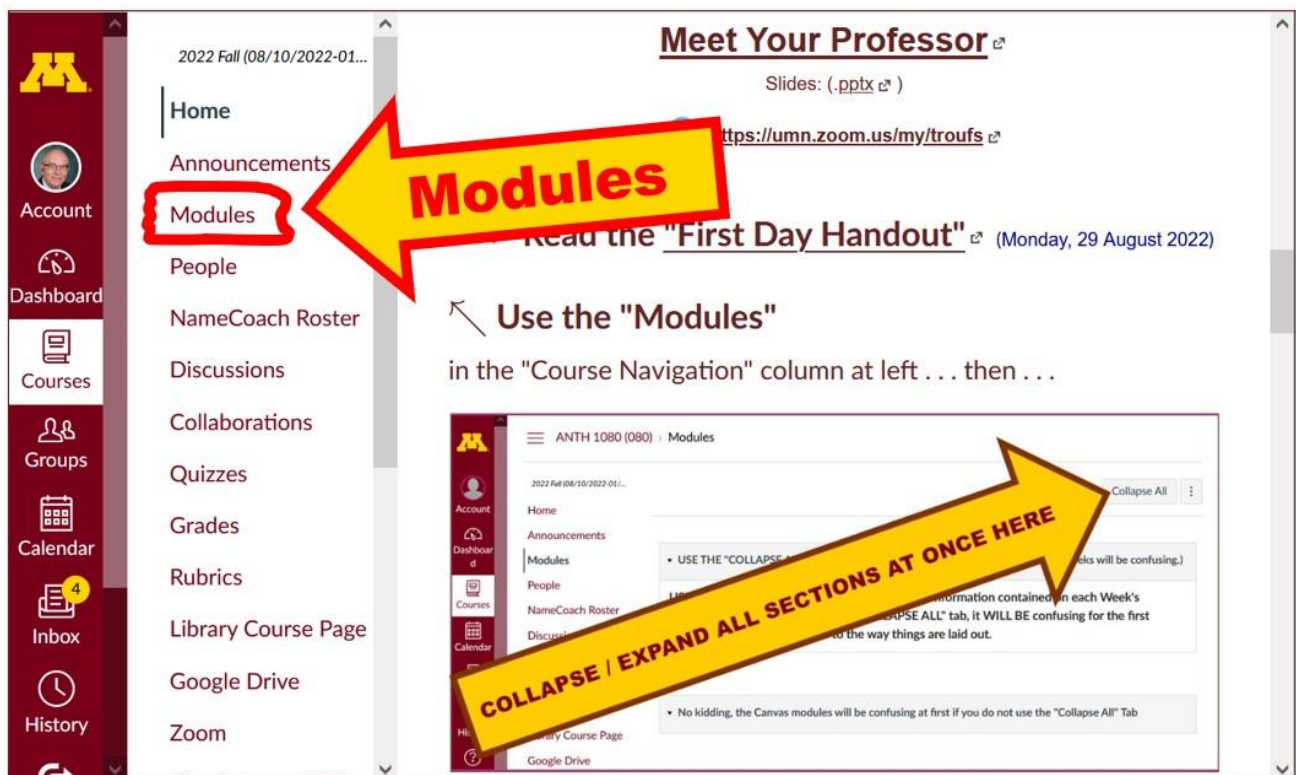

The best way to start is by having a quick look at the
“**First Day Handout**” [L](#)
on-line at https://www2.umsl.edu/~city/memo/week1/1997ghandout_first_day.html [L](#)

Canvas “Modules”

To access Your Canvas Modules . . .

REM: Links on screenshots are not “hot” (active)

. . . and that will take you to **your Modules folder** . . .

De-clutter Your Screen

Whenever you land on your Canvas “Modules” folder it’s

generally a good idea to . . .

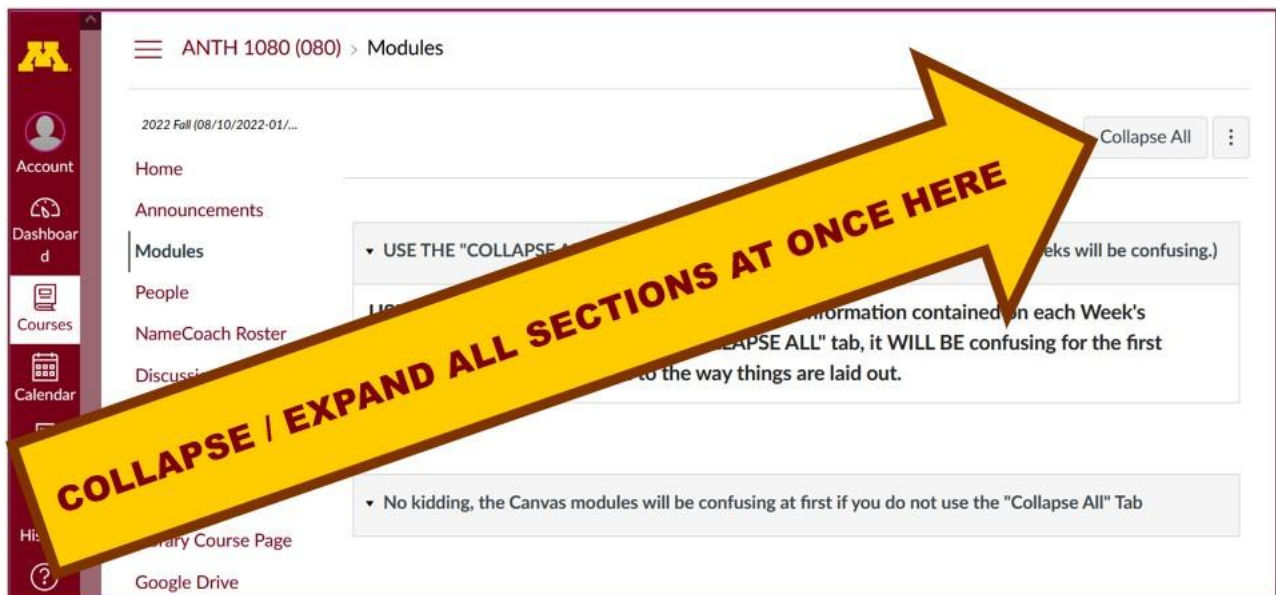

click on the “Collapse All” button in the upper right-hand corner to de-clutter your screen.

That will make your life *much* easier.
(Trust me.)

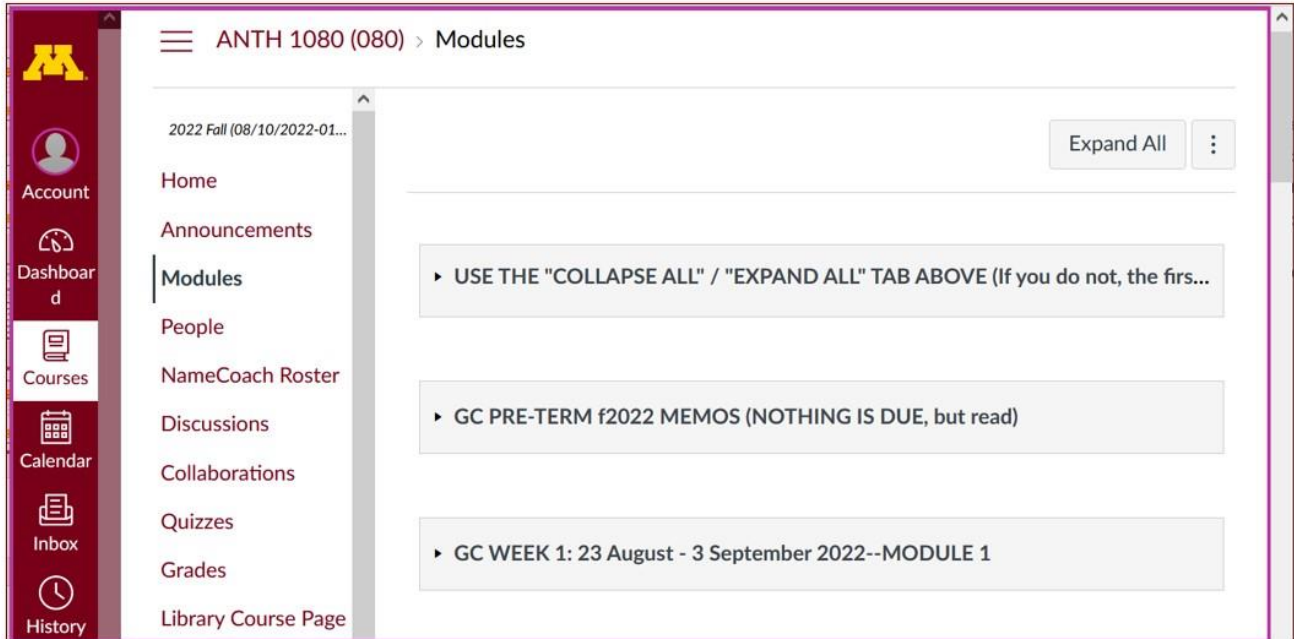

(Sorry; Canvas does not permit instructors to set the default to open with all modules closed.)

REM: Links on screenshots are not “hot” (active)

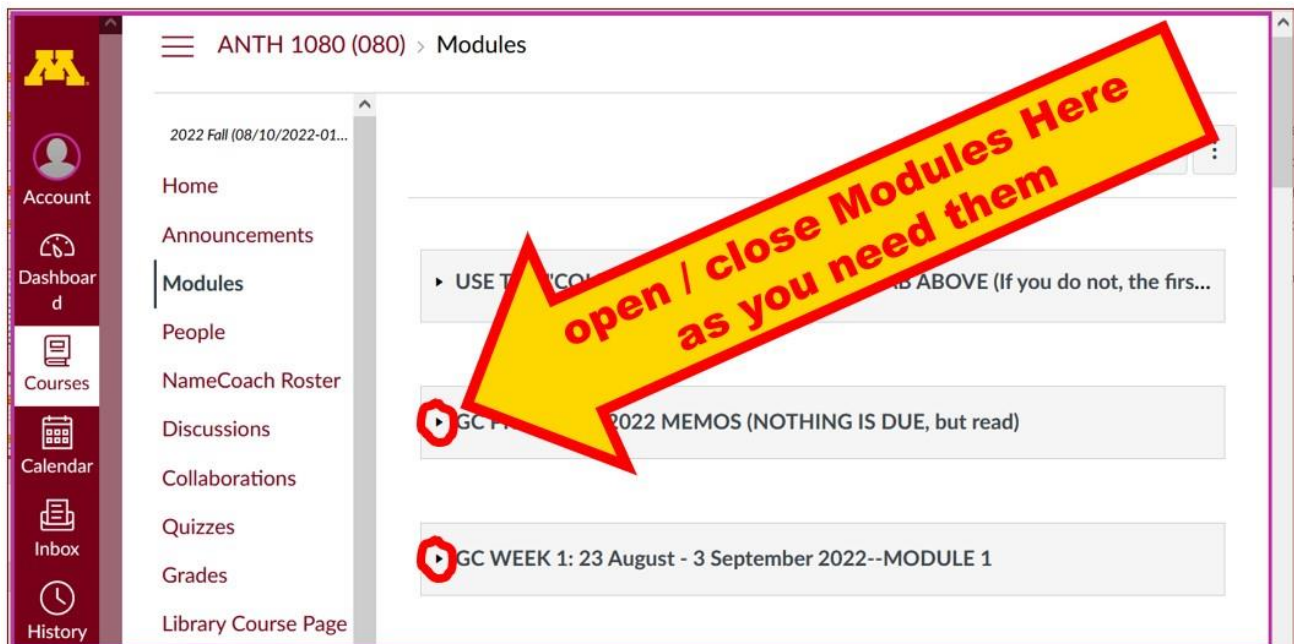

Your de-cluttered Canvas “**Modules**” folder
will then look something like this . . . :

REM: Links on screenshots are not "hot" (active)

Then open the Module of the week that you want to look at . . . :

REM: Links on screenshots are not "hot" (active)

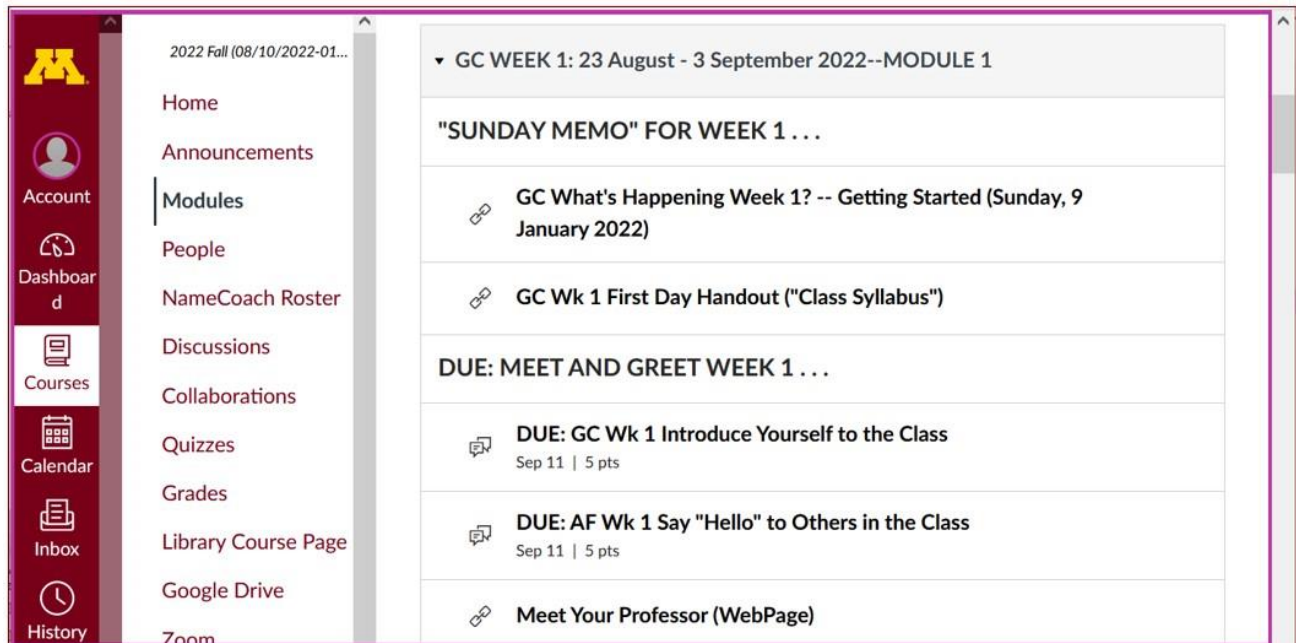

VOILA!

Your **open Canvas Week's Modules** will look something like this . . .

(The first two weeks there is always a lot of information; after that it's not so bad.)

REM: Links on screenshots are not "hot" (active)

Canvas “Modules” vs. “Sunday Memos”

Both the **Canvas Modules** and the “**Sunday Memos**” . . . contain the basic information, but the “**Sunday Memos**” have

more detail, some background, some studying suggestions, and, generally, some good images.

You will see.

Both the **Canvas Modules** and the **“Sunday Memos”** . . . follow the same basic outline.

REM: Links on screenshots are not “hot” (active)

All of the weeks will follow an outline like this . . .

REM: Links on screenshots are not “hot” (active)

These are the information categories **for the semester**

Not all weeks have all of this information;

for e.g., “Midterm Exam Information . . .” appears only at the relevant point in the semester.

Questions / Comments

If you have any **questions or comments** right now, please do not hesitate to e-mail troufs@d.umn.edu, or ZOOM <https://umn.zoom.us/my/troufs> (E-mail is fastest, and most generally best as quite often URLs need be sent.)

Best Wishes,

Tim Roufs
