# What's Happening Week 16?

## Finishing the Wrapping Up

(click links for details)

 = leave page

**The end is in sight.**

**This week we finish the wrap-up of the course with (1) the Final Exam, (2) a final look at your colleagues' Presentations—the crown jewels of the semester, and (3) a discussion of the class including your three Favorite and three Least Favorite things.**

**Live chat as usual is at 7:00 p.m. on Tuesday. It's a handy time to ask questions about the Final Exam. But if that time is not convenient, e-mail. . . .**

**Study Questions for the Final Exam are available on-line at**

**<https://canvas.umn.edu/courses/323570/modules/items/7993723>**  **2022.**

And if you have not already done so, before you go out in the real world exploring, perhaps on a Study Abroad adventure, have a look at the global tracking of food and water resources by The Food and Agriculture Organization of the United Nations (FAO). And if you have looked at it, look again because much of the future people around the world depends on decreasing the speed of the numbers you see flashing before your eyes. So, literally, the end of a lot of things is in sight if we do not pay attention.

## IN-THE-NEWS WEEK 16

**There will be a “Current Affairs” question** in the Final Exam Question pool that is taken from current news item. It will be a newer article. **You do not have to review the In-the-News items from throughout the semester.**

For the Final Exam you must answer the **four (4) questions** on the final randomly generated by  **canvas** from the pool of questions put together from the **study questions on the annotated Week 14**  **discussions section.**

Each question is worth up to 100 points each. They will include . . .

- The End of Semester Exam will be an open-book / open-notes essay exam made up of the questions on the annotated Study Questions Page? You may bring and use your texts, dictionary, thesaurus, a writing handbook, class handouts, notes, outlines, drafts, memos, and a Ouija board. You may also use references and materials from your other classes and the web, with the caveat, of course, that you properly cite any sources you use.

- When is it?

f2022 The Global Cultures **Final Exam** is scheduled for Monday-Friday, 12 - 16 December 2022 (up to 400 points)

NOTE: There will be at least one question in the pool from each of the assigned videos from Weeks 7-15, so be sure not to miss watching them.

## Other Study Suggestions

One good way to review is to go back over the “What’s Happening?” weekly memos and announcements, and use them as study notes for the Final Exam. You can find them all listed under “Announcements” in your Canvas folder.

And finally, it is generally a good idea to also check with the OWL:
