General Comments for the Week

This week we're off to the sunny Caribbean, with the video, the text, and Cade's news report. The Caribbean is a big area so choose your location for the video (there are three Episodes to choose from).

We'll also take up some persistent 2000+-year-old debates that have been circling the globe for all that time.

Check in on Tuesday's Live Chat at 7:00 p.m. if you have last-minute questions on your Term Paper (which is due this week), or on the Final

Exam. If that time is not convenient, e-mail. . . .

Speaking of the Final Exam, be sure to submit an interesting question by the end of this week. And, if you have not already done so, please fill out the Student Evaluation questionnaire that our friendly IT folks sent to you *via* e-mail.

REM: Course Survey
(from IT, if you haven't yet completed it)

The friendly folks from Information Technology Systems & Services will be sending you an Invitation and Reminder to Participate in an online Course Evaluation.

Evaluations are important to me, the Department Head, and the Dean, as well as everyone in our Department.

Please fill the online Course Evaluation out carefully.

Evaluations are anonymous, and will not be seen by the instructor until final grades for this course have been recorded.

Thanks,

Tim Roufs

If you have any **questions or comments** right now, please do not hesitate to post them on the  **canvas** “Discussions”, or e-mail troufs@d.umn.edu, or **ZOOM** <https://umn.zoom.us/my/troufs>  (E-mail is fastest, and most generally best as quite often URLs need be sent.)

Best Wishes,

Tim Roufs
