## Prehistoric Cultures Week 1 Just Checking In

**Just checking in.**

**I hope your week in the Prehistoric Cultures is going well.**

**If you have any questions** about Prehistoric Cultures please bring them up in class, or e-mail, or, if you want, use the Moodle Messenger located on the sidebar of your Moodle folder.

As we go along, as I mentioned in class, I will send you a **memo on the highlights for the coming weeks, usually on Sunday**. The memos will talk about the main items and issues for the week, and they will also contain a few reminders for the week. If you ever have any questions about that material, please let me know.

These memos will also be available in your Moodle Folder, along with the other items. So if you prefer to go there for the information, that's fine. It will be the same on-line as in the e-mail memos.

If you are curious about **the others in class**, have a look at the **"Introduce Yourself"** Moodle Page--if you haven't already. And if you haven't already checked in on that, please do that. You'll find that at <https://moodle2.umn.edu/mod/forum/view.php?id=229881>>. Say "hi" to the others in class.

If you are curious about me, more than you probably want to know is available on the **[Meet Your Professor](http://www.d.umn.edu/cla/faculty/troufs/MeetYourProfessor.html#title)** page <http://www.d.umn.edu/cla/faculty/troufs/MeetYourProfessor.html#title>>, and more that you anyone needs to know is available, with some nice photos, at [http://www.d.umn.edu/~troufs/anthfood/PowerPoint/af-meet\\_your\\_prof.pptx](http://www.d.umn.edu/~troufs/anthfood/PowerPoint/af-meet_your_prof.pptx)>.

Last spring semester one of the students seemed to especially like the part where the older folks in my home town of Winsted, MN, talk about the time I burnt the Town Hall by my dad's restaurant down (which I didn't, I only burnt half of the back side off.)

(If you need to upgrade your PowerPoint viewer, you can do that free at <http://www.microsoft.com/en-us/download/details.aspx?id=13>>.)

Best Regards and Wishes,

Tim Roufs
