And on Thursday we'll also resume our investigations into **Archaeological Methods and Dating Techniques**. And we'll be visiting those regularly, and having a closer look, for most of the rest of the semester.

Your **moodle** Presentations and Reading Assignments Listings for Week 6 will look something like the information at the end of this memo.

As usual, if you have any questions, please let me know: <mailto:troufs@d.umn.edu>. Or, better yet, post them on your **moodle** Discussion and Project forum boards.

Share your ideas, including study-questions with your classmates. Discuss them on-line with the others in class .
