Ancient Middle America Week 5

[<https://canvas.umn.edu/>](https://canvas.umn.edu/)

Our Three-week Tour Continues

**This week . . .
we continue our
Three-week Tour of Ancient
Middle America.**

**We'll make up some of the materials on the
Main Characteristics of Anthropology
and "Other Important Terms"
that were scheduled for the days when UMD was closed
because of the weather as we go along and as best we can.**

REM: Our three-week tour of Ancient Middle America . . .

began with a visit to the Aztecs to get an idea of how they think:

["The Fifth World of the Aztecs"](#)

episode 4 of the *Spirits of the Jaguar* series
(60 min., 1997, UM DULUTH Library Multimedia F1430 .S65 2006 DVD)

Then we had a go at trying to find out how and when the First Americans arrived in America . . . first looking at . . .

["Coming into America"](#)

from *Scientific American Frontiers* -- Alan Alda
(60 min., 2004, UM DULUTH Library Multimedia E99.C832 C66 2004 DVD)

And now we're going on to have a look at the . . .

~~[The Search for Ancient Americans](#)~~

~~(57 min., 1988, CC, VC 1299)~~

[First Face of America](#)

[[Naia](#) -- [Wikipedia](#)]

(53 min., 2018, DVD tba)

This week we're then going to go on an excavation with some Mayan archaeologists and their international team of investigators as they . . .

[Search for the Lost Cave People](#)

(60 min., 1998, VC 3339)

Following up their excavations and discoveries next week we're going to visit the Olmec site of what is often said to be the "Mother Culture" of Ancient Middle Americans . . .

[Excavations at La Venta](#)

(29 min., 1986, VC 3284)

[By the way, this is NOT the same La Venta that the folks searching for the Lost Cave People are talking about.]

And we'll finish off our tour by having a look at why the folks that built the ancient Olmec site of La Venta in the modern-day state of Tabasco WERE NOT people who spread out ("diffused") from Egypt after building the famous Ancient Pyramids there:

["Looking for One Beginning: The Fallacy of Diffusionism"](#)

From the series *Lost Worlds: The Story of Archaeology*

[Films for the Humanities](#)

(51 min., 2001, UM DULUTH Library Multimedia CC100 .L66 2002 DVD)

It's a great tour, and when it is over we'll return to review the materials, and look at some of the material we missed when UMD shut down, and begin preparations for the Midterm Exam.
