Be sure to *schedule* some serious time blocks to **work on your Project**. And be sure to ask if you have any questions about your Promissory Abstract, your Working Bibliography, or even about your Proposal itself.

Continue to **think about how you might present your findings**. Generally it is a good idea to pretty much finish your paper before you do too much work on your presentation (your presentation is basically a preliminary report on your work-in-progress paper), but, having said that, it is still a good idea to at least start thinking about what your presentation might be like.

**This is going to be a short “week.”**

**Enjoy your Fall Break.**

As usual, if you have any **questions** right now, please do not hesitate to post them on the  **canvas** Course “Chat”, or e-mail [troufs@d.umn.edu](mailto:troufs@d.umn.edu), or stop by Cina 215 [\[map\]](#).
