[That Sugar Film](#)

-- [Wikipedia](#)

THAT SUGAR MOVEMENT was born from the success of *That Sugar Film*, Australia's highest earning cinema documentary which raised global awareness of the impact of hidden sugars on people's health.

THAT SUGAR FILM is one man's journey to discover the bitter truth about sugar. Damon Gameau embarks on a unique experiment to document the effects of a high sugar diet on a healthy body, consuming only foods that are commonly perceived as "healthy."

Through this entertaining and informative journey, Damon highlights some of the issues that plague the sugar industry, and where sugar lurks on supermarket shelves.

The film features guest cameos from the likes of Stephen Fry, Isabel Lucas and Brenton Thwaites, interviews with Gary Taubes, Michael Moss and Dr Kimber Stanhope plus a rocking soundtrack including Depeche Mode, Peter Gabriel and Florence and the Machine.

That Sugar Film will forever change the way you think about ‘healthy’ food.

OTHER (OPTIONAL) . . .

Be sure to check the details of the **activities and assignments** of the week in your  **canvas** folder. With the Week 1 Discussions and Activities, for e.g., we'd like to find out a little bit about your background and thoughts on food topics. . . .

This week in the first of two Discussions one of your tasks is to **keep track of a day of your food intake**. *One of the reasons for doing this, besides giving you some idea of how you are doing in terms of your overall “junk calorie” intake (basically SUGAR), is for you to see how difficult it is getting good data when doing food research involving food and people.* Detailed instructions are included on the *Discussion* page.

Self-Assessment

This week please also take a short survey to give us an idea of what your views and takes are on Global Cultures. Once every one has completed this feedback, everyone will be able to see the results.

Before you get deep into the course, briefly describe your experiences with and ideas about Global Cultures, and what you already know about things related to Understanding Global Cultures.

At different points during the semester we will return to these questions to have a look at the various subjects.
