1.0 What's Happening Week 1?

This week we're off to have a look at food and culture around the world. It will be a savory adventure. This week we'll also take a few minutes to get to know one another, and our selves, and get to know how the course is set up and operates.

**New at UMD this year . . .
Give it a try.**

about the course that will make your life much easier.**

**These are not required reading,
but it would be a good idea to read them anyway.**

-- Wikipedia

THAT SUGAR MOVEMENT was born from the success of *That Sugar Film*, Australia's highest earning cinema documentary which raised global awareness of the impact of hidden sugars on people's health.

THAT SUGAR FILM is one man's journey to discover the bitter truth about sugar. Damon Gameau embarks on a unique experiment to document the effects of a high sugar diet on a healthy body, consuming only foods that are commonly perceived as "healthy."

Through this entertaining and informative journey, Damon highlights some of the issues that plague the sugar industry, and where sugar lurks on supermarket shelves.

The film features guest cameos from the likes of Stephen Fry, Isabel Lucas and Brenton Thwaites, interviews with Gary Taubes, Michael Moss and Dr Kimber Stanhope plus a rocking soundtrack including Depeche Mode, Peter Dinklage and Florence and the Machine.

That Sugar Film will forever change the way you think about 'healthy' food.

Self-Assessment

This week please also take a short survey to give us an idea of what your views and takes are on Global Cultures. Once everyone has completed this feedback, everyone will be able to see the results.

Before you get deep into the course, briefly describe your experiences with and ideas about Global Cultures, and what you already know about things related to Understanding Global Cultures.

At different points during the semester we will return to these questions to have a look at the various subjects.
