

TRANSFER CREDITS

Students with college-level coursework or testing credit (AP/IB/CLEP/PSEO/CITS/coursework taken following high school graduation) may be eligible to transfer these credits to UMD. To see how college and test credits may transfer to UMD, please visit **Transferology.com** and follow the steps on the back of this card.

UMD's liberal education requirements will be waived for students who complete an Associate of Arts degree or the Minnesota Transfer Curriculum at a regionally accredited post-secondary institution.
