# VP Columbia

- Print Speed: 100 CPS
- Double Sided Printing (Interpoint)
- 7 Variable Dot Heights
- 100 DPI (Tactile Graphics)

We at ViewPlus are proud to introduce our new VP Columbia. The VP Columbia was built with speed in mind. Like the mighty Columbia River, our Columbia churns out beautiful, easily readable Braille at 100 Characters Per Second. The VP Columbia prints Braille on both sides of the paper which saves paper and reduces cost.

ViewPlus Tiger Tactile Graphics are well known to be the best in the business and the VP Columbia is no exception. The VP Columbia also features our new TigerPlus Braille system which allows for easily readable Braille while producing powerful Tactile Graphics of up to 100 DPI.

Still not impressed? Like the rapid river, the VP Columbia is priced to move. At an attractive introductory price of only $3,295, the VP Columbia is turning heads and making waves.
